

WHY A YARDSTICK JUST WON'T WORK

People often ask us, "what makes the Putting Stick different than a yard stick?"

BUILT IN LEVEL

A square impact or roll on a yardstick may not roll true because the yardstick may not be level side to side. Whereas, the Putting Stick has the level built in.

36" VERSUS 46"

It is possible to hit a ball on a yardstick and have it travel all the way down the stick? Yes. Mathematically it could stay on the yardstick up to 36" and not be truly square on the yardstick. However, having the extra length with The Putting Stick gives you 100% accuracy. British Masters Champion Paul Dunne said, "The Putting Stick helps see the true line."

DIFFERENCE IN FRICTION

One could practice a bad stroke over and over on a yardstick because of the friction which would help the ball not fall off the yardstick. Because the friction between the ball and acrylic of the Putting Stick, it will give you true and accurate feedback instantly.

"After receiving the putting sticks from TPK, and having kept stats since my arrival at Idaho, our team lowered its putting average by 1.7 strokes per player after the first year. In team golf, which counts 4 players, that is an almost 7 strokes per round difference, and for a three round event, that is 21 strokes. If anyone looked up our scoring averages, they would see this to be true!" ~ John Means, former Head Coach at Idaho and former GCAA President, founding member of GCAA, and a member of the Golf Coaches Hall of Fame

About Us

TPK is a manufacturer of fine leather goods--including the Back Saver Wallet, and the Putting Stick located in Waconia, Minnesota. Our products are proudly made Made in the U.S.A. TPK has created custom products for some of the largest names and people in the Golf world including PGA, Ryder Cup, and U.S. Open events! See the difference by selecting TPK for your next event or tournament!

There is a simple reason over 70 PGA and LPGA Golfers are on The Putting Stick: it works.

"This is the best training aid at the show." ~ Alice Miller, former LPGA Champion and teacher
